

# SIMATS ENGINEERING

## ASSESSMENT TOOL 1

**COURSE NAME:** CSA16 **COURSE CODE:** Data Warehousing and Data Mining

---

### COURSE OUTCOME COVERED

**CO1:** Design data warehouse architectures with appropriate dimensional models for effective decision support systems. BL1,BL2

Assessment Tool Weightage: 40%

---

**QUESTIONS: 4**

**Total Marks:20**

Annexure A  
**MCQ TEST**

| Criteria  | Conceptual Understanding(3) | Accuracy of Answer(2.5) | Application of Knowledge(2) | Completeness of Response(1.5) | Clarity & Presentation(1) | Total(10) |
|-----------|-----------------------------|-------------------------|-----------------------------|-------------------------------|---------------------------|-----------|
| Weightage | 30%                         | 25%                     | 20%                         | 15%                           | 10%                       | 100%      |
| Q1        |                             |                         |                             |                               |                           |           |
| Q2        |                             |                         |                             |                               |                           |           |
| Q3        |                             |                         |                             |                               |                           |           |
| Q4        |                             |                         |                             |                               |                           |           |

---

### Code of Conduct:

*I A. LOKESH KUMAR(192524157) certify that this submission is my original work and that I have adhered to the guidelines specified for this assessment.*

*I understand that any violation of academic integrity rules will result in disciplinary action.*

**Signature of the student:**

## RUBRICS FOR CALCULATION

| Criteria                          | Weightage | Level 4 – Exemplary (5 Marks)                                | Level 3 – Proficient (4 Marks)         | Level 2 – Developing (2–3 Marks)             | Level 1 – Beginning (0–1 Mark)  |
|-----------------------------------|-----------|--------------------------------------------------------------|----------------------------------------|----------------------------------------------|---------------------------------|
| <b>Conceptual Understanding</b>   | <b>30</b> | Demonstrates clear and complete understanding of the concept | Good understanding with minor gaps     | Basic understanding with some misconceptions | Poor or incorrect understanding |
| <b>Accuracy of Answer</b>         | <b>25</b> | Completely correct answer with no errors                     | Mostly correct with minor errors       | Partially correct with noticeable errors     | Incorrect or irrelevant answer  |
| <b>Application of Knowledge</b>   | <b>20</b> | Correctly applies concepts to solve the question/problem     | Applies concepts with minor mistakes   | Limited or partially correct application     | No or incorrect application     |
| <b>Completeness of Response</b>   | <b>15</b> | Covers all required parts of the question                    | Covers most parts with minor omissions | Covers only some parts                       | Incomplete or missing response  |
| <b>Clarity &amp; Presentation</b> | <b>10</b> | Clear, concise, and well-organized answer                    | Understandable with minor issues       | Somewhat unclear or poorly structured        | Difficult to understand         |
